Here's What You Can Do

For more information about Lights for Liberty, the nationally organized event you are attending today, and links to resources about immigration rights, scan your phone's camera over the code on the right or visit: www.lightsforliberty.org

To read how the ACLU suggests you can help families at the border, scan your phone's camera over the code on the right or visit: www.aclu.org/blog/immigrants-rights/we-are-fighting-immigrants-rights-heres-what-you-can-do

To read about immigrants' rights, scan your phone's camera over the code on the right or visit: <https://www.aclu.org/issues/immigrants-rights/immigrants-rights-and-detention>

To find local resources for immigrant communities and advocates, including immigration clinic drop-in dates (January-May only) at the University of Idaho College of Law in Moscow, ID, scan your phone's camera over the code on the right or visit: www.uidaho.edu/law/academics/practical-skills/clinics/immigration

To contact your senators and congressional representatives about any issue, scan your phone's camera over the code on the right or visit: <https://youlobby.org/>

Today's event co-sponsored by: Palouse ProActive and Community Congregational United Church of Christ

Palouse ProActive connects people to information, resources, and one another to inspire dignity and promote democracy. www.PalouseProActive.org

Community Congregational United Church of Christ, a progressive Christian church in Pullman, is a congregation of The United Church of Christ. <https://pullmanucc.org>
